Remarks

Nestled on a hillside on 8 private acres of lawn and woods, this excellent, 2006 contemporary raised ranch offers a quiet, country setting that's conveniently close to Belfast, Lincolnville and Camden. Built for comfort and easy living, the main floor offers 3 bedrooms including an en suite master with a spa tub and a separate shower--a cook's kitchen with a large center island and a gas cook top, an open dining and living area that leads to a west-facing deck that spans the entire front of the house, a gas stove and a glassed-in porch, a second full bath and wood and tile floors throughout. The ground level has a family room with a wood-burning stove, an additional room that's currently used as an office, a large, unfinished storage room and an attached garage. Radiant floor heat in the bathrooms, a whole-house generator and a garden shed round out this turn-key home.
